Report of Principal and School Improvement Council

Walhalla Middle School enjoyed many successes in academics and extra-curricular activities this year. We continued our technology infusion and provided meaningful staff development to implement the Common Core State Standards.

We had an exciting academic year. Many of our seventh and eighth grade students received high school credit in various classes including Algebra I, English I, geometry, and keyboarding. Our students scored above the national mean in all areas on the spring MAP. We had twenty-six Junior Scholars and one-fourth of our students received a scholastic award for maintaining an overall "A" average for the year. Finally, two of our eighth grade students finished first and second in the DAR essay contest and an eighth grade student was the county winner in the Lt. Governor's Essay Contest.

We strongly believe participation in extra-curricular activities has a positive impact on academic performance. Many of the students who receive academic recognition are also members of athletic teams, fine arts programs, and/or academic teams and clubs. Our seventh and eighth grade football team showed much improvement throughout the season. Our boys' and girls' basketball teams enjoyed successful seasons with the boys' team winning the region championship and the girls' team finishing second place. Our fine arts program continued a tradition of excellence. Band, chorus, and strings received superior ratings at solo and ensemble and concert festivals. Band performed at Gettysburg during a Memorial Day celebration. Success in our extra-curricular programs is a result of hard work by the students, faculty sponsors, and coaches.

One of our focuses in staff development this year was implementation of the Common Core State Standards. Two of our teachers participated in the CCSS cohort. These teachers led training on professional development days.

We also focused on enhancing our School Improvement Council. We developed by-laws and scheduled monthly meetings. In 2013-14, we are participating in the SIC Evaluation Initiative pilot.

We always appreciate the support from our parents and community as we continue to strive to be one of the elite schools in the state and nation. The evidence will be in improving test scores, student participation in activities, and providing a staff of lifelong learners.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	83.6
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Walhalla Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
